## KAMLOOPS, SUN PEAKS & LOCAL NATURAL LANDSCAPES

Images for purchase for your home or commercial use

### PRINTS

Available in a variety of printing options in either standard 3:2 or double wide panoramas.

#### Photographic Paper

Traditional satin matte or glossy prints in sizes up to 72" wide. (Framing options are also available in gallery, metal or lacquer. Comes with non-glare glass.)

#### Canvas

Canvas prints come in sizes up to 60" wide. Choose from a wrapped edge or solid black edged and ready to hang. Floater frames also available.

#### Metal

Metal comes in sizes up to 48" wide in either stand-off mount or float mount.

#### Acrylic

Acrylic comes in sizes up to 48" wide. Standoff Kit to create that edgy décor style. Float Mount (completely hidden when your Acrylic Print is on the wall). Or, a Modern Float Frame.

*After you have decided on the type of print, size and framing options a price can be calculated. Images also available in black and white.*

### STOCK PHOTOGRAPHY

Any of these images may also be purchased for business or corporate stock usage in such applications as: Brochure or corporate report, display, print or web advertising or marketing material.

Prices depend on the specific usage or can be purchased as royalty free (1-time purchase for multiple usages).
